

Brandon Femia, RS

PROJECT MANAGER

Mr. Femia is establishing himself as a premiere player in the engineering industry. Mr. Femia is adept at preparing reserve studies, transition studies, deferred maintenance schedules, cost estimates, operating manuals and physical and financial assessments for community associations. Mr. Femia is also qualified to conduct site inspections for both new construction and existing buildings.

Mr. Femia has been with Kipcon Incorporated for more than eight years and is a valuable member of the Kipcon team.
